10 Minutes

Automatic Lawn Mapping

A detailed virtual map of your 0.2-acre lawn is created in just 10 minutes during the initial setup, thanks to our intuitive app.

Up to 10 Zones

In-App Multi-zone Management

Efficiently manage up to 10 custom zones, each with its own schedule and mowing pattern. Seamlessly navigate multiple sections and maintain pristine lawns.

Lawn Mowing Wizardry

Unhindered by Trees

UltraSense AI Vision maintains continuous mowing up to 1,000 feet, even in areas with zero satellite signal. It automatically resumes full operation once satellite coverage is restored, providing complete and uninterrupted lawn coverage.

Safety First: Advanced Protection

Smart Obstacle Identification & Avoidance

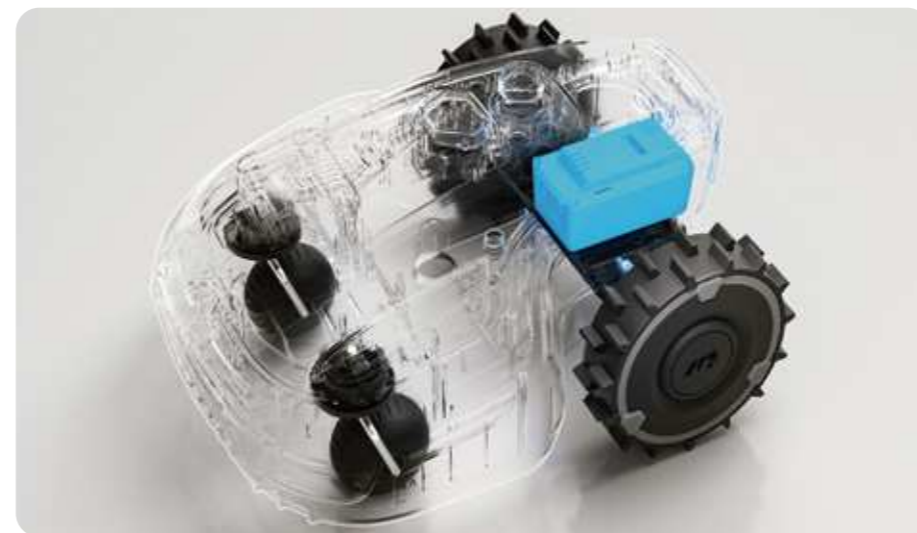

UltraSense AI Vision enables YUKA mini to detect and avoid obstacles as close as 1 inch, recalculating paths for efficient mowing and ensuring safety for children and pets.

6.1Ah Battery

A Leap in Battery Capacity

The YUKA mini 800 sets a new standard with its 6.1Ah battery, providing longer runtime and enhanced efficiency.

AI Lawn Maestro

Your Lawn, Now a Living Art

YUKA mini turns your lawn into a work of art, allowing you to craft unique patterns, logos, and messages effortlessly through the app.
