10 Minutes

Automatic Lawn Mapping

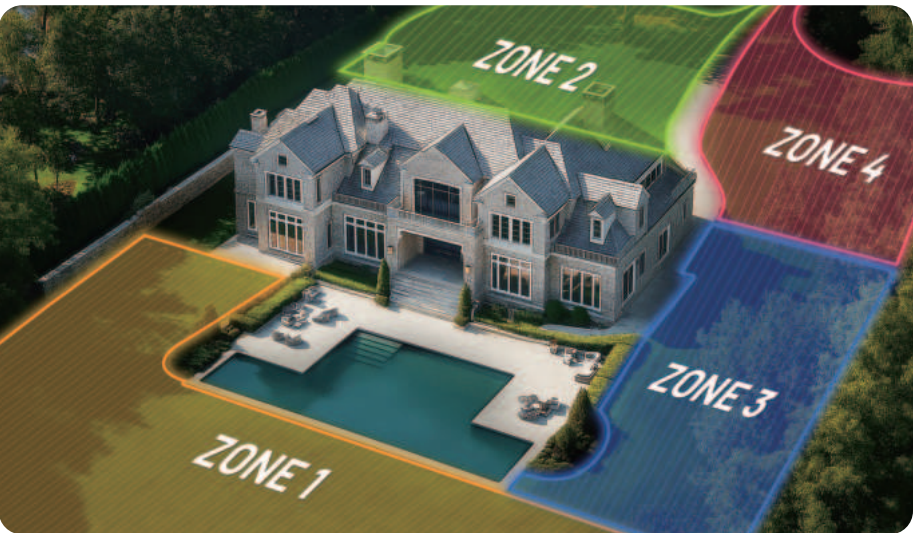

A detailed virtual map of your 800m² lawn is created in just 10 minutes during the initial setup, thanks to our intuitive app.

Up to 15 Zones

In-App Multi-zone Management

Efficiently manage up to 15 custom zones, each with its own schedule and mowing pattern. Seamlessly navigate multiple sections and maintain pristine lawns.

The World's First

NetRTK+Vision

No need to install an RTK base station - ready to use right out of the box. Powered by the NetRTK and 4G module, free to use throughout 2025, ensuring stable centimeter-level positioning even under trampolines or in narrow passages.

The Hedgehog Guardian

Recognizing 200+ Obstacles

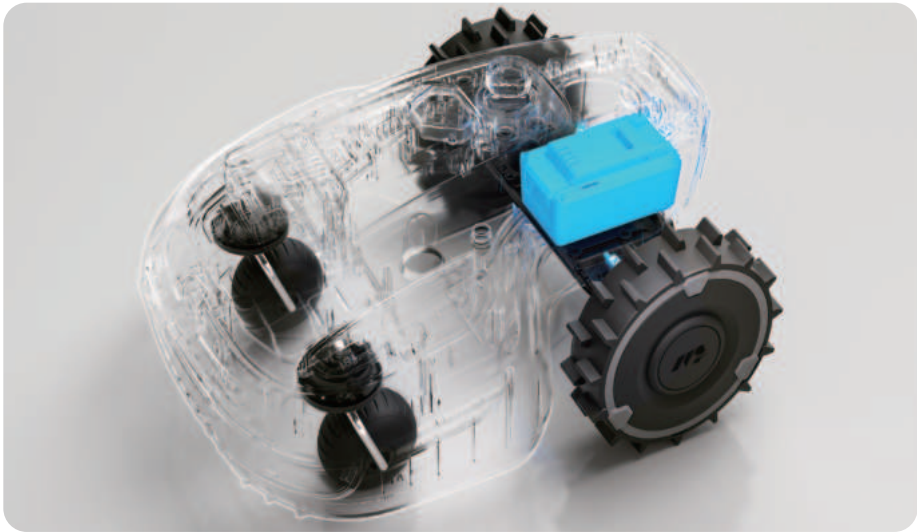

Equipped with the 5 TOPs AI Chip, it ensures quick object recognition and precise avoidance strategies. YUKA mini has undergone tens of thousands of real-world tests to guarantee the highest level of safety protection for your garden.

6.1Ah Battery

A Leap in Battery Capacity

The YUKA mini 800 sets a new standard with its 6.1Ah battery, providing longer runtime and enhanced efficiency.

AI Lawn Maestro

Your Lawn, Now a Living Art

YUKA mini turns your lawn into a work of art, allowing you to craft unique patterns, logos, and messages effortlessly through the app.
