

## Bathroom fan 100mm - Premium, with timer and ball bearings

Marka: **Orno** | Symbol: **OR-WL-3201/100/TS** | Ean: **5908254817823**

### PRODUCT DESCRIPTION

Useful bathroom fan that automatically draws the moist air to the outside. It is designed for surface mounting on a wall, and thanks to the use of ball bearings, it is also suitable for mounting in the ceiling. A very quiet device that will take care of the air quality in the bathroom, but will not disturb our relaxation zone. The fan has a compact design 120x120mm and a short exhaust pipe (100mm), which will fit even in shallow ventilation ducts. A special decorative panel can be selected for the fan, which is available in many colors. Thanks to this solution, the device looks good not only in the bathroom, but also in other rooms. The materials used

guarantee high durability of the device. The fan has got a timer switch.

## TECHNICAL DATA

## Glass panel, Universal, glossy marble colour

Marka: Orno | Symbol: OR-WL-3204/M | Ean: 5904988908684

**ORNO**

### PRODUCT DESCRIPTION

Decorative panel for OR-WL-3201 bathroom fans and OR-WL-3205 ventilation grilles. The panels are available in many color variants and also differ in the material used for production - they can be glass or Plexiglas.

Depending on the user's preference, the grille can be configured in a way that makes it almost invisible or, on the contrary, exposed. The installation of the panel is extremely simple - simply slide into the guide to the end.

The product measures 17x17 cm, in glossy marble colour, made of glass.
